### **Car park**

There have been a few near misses in the car park recently. Please remember to drive slowly when in the car park and be aware of cars reversing in and out of parking spaces. Also, when reversing in and out of spaces be aware of other cars in the car park and small children. This is an obvious thing but easily forgotten when you are in a hurry or have just collected an excited child.

Children should be holding parents/carers hands whilst crossing over the car park until they are put into the car. Children have been seen on CCTV crossing over with very little supervision. Management are trying to keep all the children safe by reminding everyone of this danger so please remember to hold your child’s hand in the car park.

### **Family**

There have been a few minor hiccups over the last month with the app. Management can ask questions through the app to the Family team, so if you are experiencing any unusual issues, please let us know.

### **Easter raffle**

Congratulations to the parent who won the Easter raffle. The total raised was £209.97. This has been divided between the rooms. Thank you for your support.

### **Funday Saturdays 16<sup>th</sup> July 2022 2pm-7pm**

Bo – Peeps Funday preparations are underway. You can visit the crowd funding page @ <https://www.crowdfunder.co.uk/p/milo-phelps-neuroblastoma-fundraiser>

### **Screen- Free Week 2<sup>nd</sup> – 8<sup>th</sup> May**

To support screen-free week, a few of Bo-Peeps staff are having a stroll through the forest on Saturday 7<sup>th</sup> May 2022 in the morning from 10am, starting from the nursery. Management hope that all the families will join the staff in having a screen free Saturday morning with fresh air, exercise, and conversation. Everyone can use the car park and have this opportunity to enjoy a relaxing stroll with your children. Let’s hope the weather stays dry for us.

### **Spare clothes**

The rising 3’s and pre-school rooms are desperate for spare pants and clothes for the children who are potty training. Please remember to send in spare clothes for your child and if you would like to donate any pants, trousers, leggings etc for children aged 2-5 years it would be much appreciated.

### **Hand foot and mouth**

There have been a few reported cases of hand, foot and mouth at the nursery. There is no incubation period for this infection but as the cases are rising management have contacted PHE (Public Health England). Management will keep you up to date regarding this on Family.
